Fall Study Series

The Origin and Nature of the Bible

A Six Week Study

Sundays, 11:15 (ish!)

September 19th-October 24th

If you've ever wondered exactly how our scriptures came to be and why the books we recognize as our Old Testament and New Testament canon (meaning: standard or measure), came to be accepted while others books were excluded, this course might be of interest.

Over a six week period Pastor Eric will dig into the primary manuscripts, the scholarship which informs the understanding of scripture, composition and editing, authorship, authority, and controversies which surrounded the formation of canon, and issues facing how we read and understand the nature of scripture today, and how those readings inform and shape our lives and worldviews.

Additionally, we will look into the process of translation, the intrigue and the agendas of translation committees (and individual translations), and how these impact our reading, understanding, and ultimately interpretation and theological points of view.

Do You Know?

Do you know the reason the fourth finger was the wedding ring finger of choice? There's a touching explanation. In ancient times, it was thought that there was a vein in your finger on your left hand that ran straight to your heart. And the heart, of course, was thought to be the center of our emotions back then. So ancient Romans called this vein the *vena amoris*, Latin for "vein of love." Our knowledge of the human body has evolved greatly since then, of course. Most notably...we humans have no such vein, sadly. In addition, we know now that the heart is an organ for pumping blood—but that hasn't stopped us from continuing to talk about it in romantic, emotional contexts. Likewise, we still wear wedding rings on our fourth fingers!

Family Promise News

Family Promise continues to maintain a full program and a waiting list. We are also jumping right into the preventive programming we recently received funding for. As potential mass evictions are imminent, our work is becoming even more critical.

Our main event this month is a new event called Night Without a Bed. It will be held at the County Fairgrounds in Palmyra on August 28th - 29th. There will be food, games, music, raffles, a bagpiper, and more! Please consider joining us as part of a team or an individual. Every participant will receive a t-shirt. You are welcome to come walk the track or just hang out. Come for a few hours or stay the night!

Please continue to keep us in your prayers as well as families looking for housing. It is a struggle to find affordable housing in our area. Thank you for your continued support.
